Quick start

1. Click the button above and sign in to Google (free account works). Click **“Make a copy”** – the copy is yours.
2. On **Setup** choose your currency, week start date and daily targets.
3. Add your **Recipes** and their ingredients, then pick meals on the **Weekly plan**.
4. Open the **Grocery list** – quantities add up for the week, sorted by aisle. Mark what you already have on **Ingredients**.

Good to know

> Yellow cells are for typing – everything else calculates itself. The first rows contain an example you can overwrite.

> Prefer Excel? In your copy use **File → Download → Microsoft Excel (.xlsx)**.

> On your phone, open it in the free Google Sheets app.
