Quick start

1. Click the button above and sign in to Google (free account works). Click **“Make a copy”** – the copy is yours.
2. Go to **Setup**: type your business name, currency, year and tax set-aside %.
3. Log payments on **Income** and costs on **Expenses** – pick categories from the drop-downs.
4. Open the **Dashboard**: profit, margin, tax set-aside and charts update automatically.

Good to know

> Yellow cells are for typing – everything else calculates itself. The first rows contain an example you can overwrite.

> Prefer Excel? In your copy use **File → Download → Microsoft Excel (.xlsx)**.

> On your phone, open it in the free Google Sheets app.

> **Bought personalization?** Send us an Etsy message with your business name, currency and your income & expense categories – we will send your personalized tracker within 48 hours.

Questions? Message us on Etsy – we reply within 24 hours. For personal use only; please don't resell or share the file. © PlanPerfect Sheets
